

You like solving challenging problems?
You want to learn more about management consulting?
Then join us for the

McKinsey Challenge 2014

...and win a €5,000 **scholarship**.

At the “Challenge” workshop you will learn how to **structure** and **solve** complex business problems in a **fun** and relaxing atmosphere, with McKinsey consultants and other distinctive students/graduates. Find out more and apply by **May 11** at www.mckinsey.com/challenge.

We welcome applications from students and recent graduates of all academic backgrounds. No business background required, just passion to overcome the challenge!
