November 21, 2015

The 16th edition of the WHU New Year's Conference is under the topic "Financing European Business - Where lies the future of corporate and institutional funding?". Compelling speeches, panel discussions, challenging workshops, a career fair, a delicate Gala Dinner, a conference-closing event, as well as our famous entrepreneurial talks are waiting for you. For first year students we offer the Young Students Program the third year in a row.

During the two-day conference we will provide you with accommodation, shuttle services, as well as catering. The conference fee amounts to 90EUR and covers all named items.

Application Deadline: November 21, 2015
